**Importance:** High

Jocelyn, Jo Anne, David, and David:

Today at its agenda meeting, In the above-referenced docket, the PSC granted Vote Solar's request for a public participation hearing. The hearing is to be held on March 23, 2021. The Clerk's Office was directed to provide the notice for the hearing to DESC by January 15, 2021, so that DESC could provide the notice to customers by February 15, 2021, via a billing insert.

It will not be possible for DESC to provide the notice to all customers via a billing insert by February 15 at this late date. The Company should be able to accomplish the notice via a special mailing. A special mailing would obviously significantly increase the cost of the notice, but it is the only way to provide the notice by February 15, 2021, deadline.

Please let me know ASAP whether the special mailing will satisfy the PSC. The special mailing will take time as well and cannot be done overnight as I have explained on previous occasions.

To the extent the order on this issue is limited to a bill insert, the Company would immediately ask for reconsideration of that issue to allow the Company to provide the notice via a special mailing in order to meet the February 15 deadline.

Thank you in advance for your prompt attention to this matter.

Matt
